

# About Us

## Who are we...

THE SHACK is the mixed-up brain-child of a group, determined to bring another source of convenient, delicious food to the local community of Jamestown.

Our mission is to deliver excellent food, for the right price, at a spectacular location. Jamestown is a beautiful place and we aim to keep it that way.

We purchase from local suppliers, when possible, and we encourage all to support local business.

## When we're open...

THE SHACK will be in operation from May-October. During the 'high season' we will be open every day from 8am - 6pm.

## Where to find us...

THE SHACK is located beside the bay in beautiful Dutch Harbor, on the west side of Jamestown. It is within easy walking distance from the center of town. To arrive at Dutch Harbor, simply head west along Narragansett Avenue (the main street in town) until you come to the blinking red light (there's only one!). Continue directly through the light until the pavement turns to crushed clam-shells and THE SHACK will be immediately on your right.
